ART SYMPOSIUM  
27.04. – 03.05.2015.  
RIGA**

**Invitation**

**For the members of The Artists' Association "FOCUS – EUROPA"**

On the behalf of The Artists Union of Latvia (AUL), I would like to invite the members of The Artists' Association "FOCUS – EUROPA" to participate in the festival "Art DAYS 2015. ART FUSS", nominating 1- 2 members of the organization for the participation in The 3<sup>rd</sup> International Art symposium.

Over the years, since 1959, *Mākslas dienas (The Art Days)* has become an integral part of Riga's cultural life, offering residents and visitors to the city a diverse program of very approachable art and culture events. These events provide emotional experiences for viewers but also creative challenges for the artists. This year's Art Days theme is *ART FUSS* – communication among art, artist and the audience. The festival includes several exhibitions, events, concerts and several art discussions.

The most significant part of the festival is the 3<sup>rd</sup> **International Art Symposium "Art Days 2015. ART FUSS"**, which brings together members of the Artists' Union of Latvia, International artists' organizations - partner organizations of AUL and Latvian art students.

**Yours Sincerely,**

**Igors Dobičins**

**The President of The Artists' Union of Latvia**
